There is such a limited range of colors and the black silk, made with a demi-bain. and suitable both for carriage and house dresses; or bars, by ultra fashionables, or in stripes of nade with sacque and apron, with black velvet worked embroidery, or perhaps of the squaremeshed canvass batists; while tollets are of the silk Mexicain basque and overskirt over a brow sth light th demi-

batistes, with many flources of white needle muslin; or the immaculate linen lawns with rings of crimson or black, or balls or stripes of violet. With these are various functful jackets verified. and overskirts of muslip, and lace to wear above the black allk skirt, which still forms the foundation of many pretty follettes. For summer balls white drosses are always the choice, and range through various materials, such as grenadine, herege, the equisite Chamberg gause, organdte, Swiss musiln, and tarletan, though the latter is the least popular of all. Charming dresses of unexpensive white bodice, with plain berege skirts. Those who like dash of color have rose or arure stripes at wide intervals, on white berege, and a pretty effect is given by putting strips of black velvet ribbon between the colored stripes of the

berege have striped aprons, founces and corset | sylvania. jaunty nautical style, with sailor jacket or belted blouse, trimmed with many bands of white Hercules braid, completes an abundant list of dresses. Among the small items important as access

ories are a chatclaine bag to match each tollette; also striped collar, cuffs, handkerchief and holsery to go with all the day dresses. The regular costumes have each a hat and um-brella of their own. A besided guipure jacket or a llama lace sacque is among the "must haves," and a black guidure polonaise is a thing to be desired. Round hats, both black and white, are of the most picturesque shape, and dispute precedence with beaded bonnets, all black except the stempes roses and feather tips that ornament them. In jewelry there is a fancy for quaint sets of yellow gold, orna
The soological garden in Fairmount park, Philadelphia, opens to the public to-day, with mented with Japanese taying in old figures, flowers and primitive styles, whose aginese is considered their condemnation. But enough of extravagance. I must now tell practical women, who make their own dresses, of a simple, pretty bodier, called

The lining of this is a plain basque, with years of age, while laboring under temporary French backs, (without side bodies,) cut to expense of age, while laboring under temporary inspect, attempted suicide yesterday at Railing and the statement of the statement THE SIDE PLEATED BASQUE. grenaditie or debege, is then pleated or tucked lengthwise on inch-wide pleats, and is cut on the fit on this lining. The lining is cut way below the hips and the pleating simply hem or edged with lace, and the basque is usually worn with a beit. The effect of all this is very good, and the round fallness is exceptable to slender figures. Themself confess the garment alender figures. Though a confess the garment is warm for midsure for I have seen black cashmere and also debuge basques made in this way to emplete suits which proved to be very extractive. The overstart and lower skirt with nuch basques should be trummed with side pleating to be in larging. Occasionally summer silks are made with similar basques; the hox pleated blouces of last year are fast being abandoned for sale-gleated once.

Shooting himself through the head. The cause of the act is unknown.

Dr. Robinson, aged fifty five, was shot and abandoned for sale-gleated once.

emphasizing good on the principle that what is good in cheap; but I can also tell now of some.

A negro, named Blake, charged with commit.

Stewart sells for twelve and a half cents a yard, that washeth like white muslin and endureth to the end. Ludies buy it by the pieceby the holt, as Western folks say-and make orning-wrappers of it, trimmed with many ows of white braid, or else kilt suits for the small boys or pleated blouse dresses for school girls; and more than all else, it is used for ladies' suits for morning wear in town or country. These have a French sacque belted, a long apron overskirt and pretty shirred ruffles. for trimming both skirts and sacques. Eighteen ards will make such a suit, and at a York hilling per yard its cost is \$2.25. Take notice, kind reader, that a fashion writer does, upon ecasion, tell of something that is both chesp
